

Take Your Place at Mama's Table

OUR MISSION

At Mama's Kitchen we believe that every person is entitled to the basic necessity of life, nutritious food. As a volunteer-driven, nonprofit organization, we prepare and deliver food to men, women and children who are affected by AIDS or cancer.

Mama's Table, Mama's Kitchen's new leadership giving program, is our way of acknowledging those who make Mama's mission a reality. These donations allow us to continue to meet the growing and urgent need for nutritious meals that are freshly prepared and delivered with love. They also help us to plan wisely for our future so that we can make sure no one battling AIDS or cancer goes without the most basic of needs — nutritious food.

Today, Mama's Kitchen is serving more than 1,400 people annually through our pantry service and our *Home-Delivered Meals Service*, which provides 3 meals a day, 7 days a week, free of charge to San Diego County's most critically ill. As demand for our services continues to grow, support from Mama's Table keeps our ovens on and shelves stocked.

After becoming more involved and seeing the work that was being done at Mama's, my partner Andy and I both gained more and more respect for Mama's Kitchen's mission. Mama's Kitchen is efficiently run, grassroots and volunteer driven, with its primary focus on serving its clients. We love that, and feel that this is the best "investment" we can make back into the community.
