2012 ANNUAL REPORT

THANK YOU TO OUR VOLUNTEERS

Alberto R. Cortés
Executive Director

Todd Gabello
2012 President, Board of Directors

MESSAGE FROM OUR BOARD PRESIDENT & EXECUTIVE DIRECTOR

2012 was the first full year at our new facility on Home Avenue. It was our first full cycle of activities and affirms the promise of our new Home Avenue setting.

In 2012, we:

- increased both our meal delivery service (8.7%) and our pantry service (11%) over the prior year;
- integrated perishable items in our pantry, such as chicken, beef, eggs, cheese, milk and butter; and
- increased the number of hot dinners we prepare in-house from three to five meals per week.

These activities are integral pieces of our vision of growth and improvement that have come to fruition. The continued evolution of Mama's Kitchen is triggered by the evolving and growing nutritional needs of people affected by HIV/AIDS or cancer. And it can only be sustained by the time, talent and treasure that the San Diego community generously shares with Mama's Kitchen. For that we are grateful.

The development and implementation of a nutrition education program is among the yet-to-be-realized pieces of our vision. We are looking to make this a reality in 2013, and invite you to stay the course with us as we continue crafting the pieces that will become Mama's Kitchen in 2015, 2020, and 2025. The future of Mama's Kitchen is ours to build.

Alberto R. Cortés, Executive Director

Todd Gabello, 2012 President, Board of Directors
